Re: Cannon Park Car Park Redevelopment: provision of a new student accommodation building and associated amenities, and multi-storey car park..... (FUL/2018/2651)

I object to this application for the following reasons:

- The structure is too high, and its size and design are out of keeping with the character of the area.
- The density of occupation is inappropriate for the social balance of the area.
- There will be major loss of the spinney.
